What Makes It All Worth It: A Parent's Response

A mother of a PPDC 2nd and 3rd grader shares just how much PPDC has made a difference in her children's academics, "I love what Peter Paul does for my children, not just preparing them for tests, but for the next grade level. My son had to take the SOL's on the computer and PPDC prepared him for that. My daughter won an award at school and I credit PPDC for helping her attain it!"

What is TEDxRVA?

TED is a nonprofit organization devoted to Ideas Worth Spreading that started over 30 years ago.

In the spirit of ideas worth spreading, TEDx is a program of local, self-organized events that bring people together to share a TED-like experience. At a TEDx event, TEDTalks video and live speakers combine to spark deep discussion and connection in a small group. These local, self-organized events are branded TEDx, where x = independently organized TED event.

On March 6, PPDC we welcomed Richmond Public School
Superintendent Dr. Dana Bedden to the East End community!

To commemorate Read Across America Week, students shared story
time with Dr. Bedden. The Cat in the Hat, Thing 1, and Thing 2 also
stopped by to partake in the festivities. The students loved the attention!
We would like to thank Dr. Bedden, Capital One, community partners,
and guests who joined us. To see all the fun we had with Dr. Bedden

Blue Ribbon Status

PPDC has been designated as one of only 6 Service Enterprise
organizations in Richmond. Points of Light, a national service
organization, in partnership with Richmond's local Hands On affiliate
selected PPDC after a rigorous application process. Through an
assessment process it determined that PPDC has achieved "blue
ribbon" status, one of only 2 nonprofits in the region.

A Service Enterprise is a nonprofit or for-profit organization that
fundamentally leverages volunteers and their skills to successfully
deliver on the social mission of the organization. Blue ribbon status
means that we've achieved stellar results, and serve as a model for
other organizations to learn from, otherwise known as "positive
deviants."

We credit our many faithful volunteers for this honor as they share their

many talents to help us deliver on our mission. Thank you!
