

Peter Paul eNews - July 2021

Dear Sarah,

Happy Summer! The Coleman Promise Center is abuzz with the return of our students, and the excitement that is to come this summer at Peter Paul! Our in-person Summer Promise Academy is back and our teachers are working hard to address any learning loss that occurred during the past year. Our family and community engagement team is also hard at work preparing for fun summer programs including a movie night, and a summer bash for young adults in Richmond. We invite you to support or attend these community events, and be a part of all that is happening at Peter Paul and in our neighborhood!

Check out all of this below, and connect with us on [Facebook](#), [Instagram](#), and [Twitter](#) for the latest announcements. Thank you for your continued passion for Peter Paul and our purpose to Educate the Child, Engage the Family, and Empower the Community.

Fun Fridays at Peter Paul

Each Friday, our students are given the opportunity to kick back with friends, play games, go on fun field trips, and participate in activities of their choosing! Last Friday, our students started the day learning about the water cycle and completing a fun escape room, then ended the day bowling and playing arcade games with their friends at [Hanover Lanes](#)!

We'll be sharing more fun Friday photos on our social media, so stay tuned. Thank you to our community partners across Richmond for helping us provide a fun summer for our students!
