Dear Peter Paul family and friends,

With a grateful heart, I write to inform you that, after 11 years, Damon Jiggetts is departing Peter Paul. He has accepted the role of Chief Executive Officer with Henrico Education Foundation.

Damon oversaw great changes while serving as Executive Director. Under his leadership, our programs grew, and our services became more easily available to children and families in the surrounding community. He helped the organization build new and important strategic partnerships with complementary partners, helped improve and stabilize operations and organizational processes, and built strong relationships. Damon leaves Peter Paul in a very strong position for continued growth, and we appreciate his contribution and leadership in his time here. The Board wishes him all the very best in his future endeavors.

We are also thankful for the dedicated and skilled team of leaders assembled at Peter Paul that helped create a path forward with the support of an active and diverse board.

Damon's last day will be Friday, June 30<sup>th</sup>, when an interim Executive Director will be named. Until then, the board will continue to oversee permanently filling the position with assistance from a search firm. We are confident that Damon and the staff will make this a smooth transition for our families, partners, and supporters.

I am proud to be part of this organization, excited about what lies ahead, and confident that we will scale new heights together. If you have any questions about the transition or the organization, please contact me at [jbrooks@olaservices.net](mailto:jbrooks@olaservices.net).

In partnership,

Jessica Brooks, Ph.D., MBA, LCP  
Board Chair
